

Spit Expanding Polyurethane Foam

Fire rated insulating foam

Aerosol or gun applications where foam expands up to 150%.

Product Description

B2 and B3 Foam and Gun Foam

- For use with mounting, sealing, filling and insulation in building applications.
- Application with gun ensures precision, speed and foam efficiency.
- Cured product provides excellent thermal and acoustical insulation.
- Mould proof.
- Resistant to heat and cold (- 50°C to + 90°C).
- Moisture and ageing resistant, mould proof.

Universal Foam Cleaner

- Solvent designed for removing uncured polyurethane foams or adhesives.
- It is useful for the cleaning of can valves and PU-foam gun applicators.
- Suitable for removing uncured foam residue.
- Excellent for degreasing metal surfaces before application of silicones and polyurethane.
- The propellant used is ozone friendly.

Specification

Spit Fire Rated Expanding Foam and Gun Foam

Multi Use B2 Fire Rating (DIN 4102), produced according to ISO 9001

Spit Expanding Foam and Gun Foam

Multi Use B3 Fire Class, produced according to ISO 9001

Spit Universal Foam Cleaner

Produced according to ISO 9001

Typical Applications

B2 and B3 Foam and Gun Foam

- Mounting windows and door frames.
- Heat insulation of water-pipe network, sewerage and central heating.
- Fixing and isolation of wall panels, corrugated plates, roof tiles, etc
- This foam can be attached to most popular building materials including: concrete, brick, plaster, PVC, foamed polystyrene, metal and wood.

Universal Foam Cleaner

- Dissolving uncured one-component polyurethane foams and adhesives.
- Cleaning of dispensing equipment.
- Degreasing metal surfaces prior to the application of silicones or foams.

Product Range - Expanding Polyurethane Foam

Eurocode	Description	Volume	Box Qty
921731	B2 Fire Rated Expanding Foam (Aerosol)	750ml	1
921732	B2 Fire Rated Expanding Gun Foam	750ml	1
921733	B3 Expanding Foam (Aerosol)	750ml	1
921734	B3 Expanding Gun Foam	750ml	1
921735	Foam Cleaner	500ml	1

Product Range - Expanding Polyurethane Foam Application Tool

Eurocode	Description	Box Qty
921740	Gun Foam Applicator	1
