

Paslode PSN90 and PSN100 Pneumatic Framing Nailers

Kit Contains

Paslode PSN90 / PSN100 Strip Nailer, high impact lightweight carry case, silencer, safety glasses to EN166:F, allen key and instruction manual

Substrates

- Wood

Applications

- Frame manufacture
- Wall and roof sheeting
- Decking
- Roofing
- Exterior fixing
- All high volume nailing

Pneumatic Framing Nailers

The high power and versatile PSN90 and PSN100 Framing Nailers have been tested in tough conditions and are built to last.

Product Advantages

- Paper collated strip nails - reduces debris created by other nail systems
- High cycle rate - allows fast completion of repetitive work
- Power to weight ratio - improves handling of tool
- Lightweight - reducing operator fatigue
- Bump fire conversion kit available
- The PSN100 is a powerful nailer purpose built to fire 100mm nails

Tool Specification

	PSN90	PSN100
Product code	501560	500705
Weight	3.6kg	3.9kg
Height	325mm	380mm
Nail range	51mm to 90mm	51mm to 100mm
Cycle rate	< 12 nails per second	< 12 nails per second
Operating pressure	70 - 120 PSI (5 - 8.5 Bar)	70 - 120 PSI (5 - 8.5 Bar)
Fastener capacity	< 90 nails	< 90 nails
Actuation mode	Sequential (bump fire available)	

Fastener Specification

Coatings / Materials / Finishes	Stainless Steel Hot Dipped Galv Galv Plus Bright
Shank Types	Ring Shank Uni Lock Smooth Shank Screw
Point Types	Diamond Point
Head Types	Clipped Head
Collation Types	ProStrip - paper collated nail provide high holding power and ease of drive. Nail strips will not break when dropped and will not deteriorate in wet weather. No collation material is left on site.
